1. LOCATION

La Salle College commenced in 1954 and is situated in Middle Swan, which is part of the Swan Valley in Western Australia.

The climate is temperate with a very mild winter and a warm dry summer and is, therefore, very conducive to outdoor recreational and sporting activities such as golf, camping, swimming, windsurfing, bushwalking, sailing and the like.

2. WHAT THE COLLEGE OFFERS

La Salle College offers students an excellent range of curriculum offerings. It has developed a tradition of academic excellence.

The College provides school, including preparation for University entrance, to 1400 students from Years 7-12. All academic courses offered in the higher years are accredited and moderated by the School Curriculum and Standards Authority (SCSA) of Western Australia, which issues the Western Australian Certificate of Education to students who successfully complete Years 11 and 12.

International student applications are welcomed for Years 11 and 12. The school year in Western Australia runs from early February through to December. As English is the medium of instruction, competence in English is given high priority, as a certain standard must be met to satisfy the SCSA of Western Australia and for Tertiary Entrance requirements.

The College seeks further to address the needs of individual students and to develop in each of them self-esteem, responsibility, independence, articulateness, sensitivity and a well-adjusted character within a Catholic environment.

To meet all its stated aims, La Salle College offers:

- A full range of courses suitable for Secondary Graduation, University and Training College entrance.
- Understanding, experienced, qualified staff and teachers in all areas.
- Modern resources.
- Pastoral Care and an excellent Campus Ministry Program.
- Individual career and educational course counselling.

3. THE STUDENT BODY

The student body of the College has a multi-cultural background and international students find it particularly easy to assimilate into student life.

4. COLLEGE FACILITIES

Well-equipped facilities include an Information Resource Centre, and specialist learning areas for Religious Education, Mathematics, Science, English, Society and Environment, Computing, Performing Arts, Design & Technology, Drama, Arts and Crafts, Hospitality Centre, Photography and Physical Education.

In the sporting and fitness areas, facilities are provided for basketball, tennis, netball, swimming, cricket, baseball, soccer, football, hockey, volleyball, softball and athletics. Highlights of the facilities available are the lush green playing fields for hockey, soccer, athletics etc and a swimming pool and gymnasium with Fitness Centre.

5. COLLEGE SUPPORT FOR INTERNATIONAL STUDENTS

Through its professional and dedicated staff, students have access to a wide range of support/counselling services to cater for student's needs in personal, educational and career matters. Support staff include: Pastoral Care Advisors, a Chaplain, a Clinical Psychologist, a Careers Advisor and Vocational Education and Training (VET) Coordinator as well as the International Students Coordinator.

School Counsellors

La Salle College has a school psychologist. The psychologist is available to all students to assist in a wide range of matters relating to academic progress and personal welfare. These include:

- Study skills;
- Assessments of students identified as having learning difficulties; and
- Counselling on non-academic personal concerns and referral to appropriate agencies where necessary.

In addition, Careers/Vocational Education and Training (VET) staff are also available to assist in:

- Course planning and selection;
- Career decision making and Career information including administration of the Work Experience; and
- Information on University and Training courses and their entry requirements.

Students can make their own appointments with the Counsellors or organise through the Student Reception. The College Chaplain is also available for counselling. Appointments can be made in the same way.

6. ACCOMODATION AND COST OF LIVING

Perth offers a high standard of living at reasonable low cost. Perth provides excellent value for money. Information regarding living in Western Australia, including the indicative costs of living and accommodation options, can be found in the following websites:

<http://www.ciswa.com>

<http://studyperth.com.au/>

<http://www.immi.gov.au/students/student-visa-living-costs.htm>

<http://studyperth.com.au/live-perth/living-expenses>

<http://www.australiaforum.com/information/general/living-in-perth.html>

International students at La Salle College have various accommodation options. Some students stay with relatives who also act as guardians, while others have homestay arrangements made for them by their parents.

Homestay accommodation includes a furnished room, meals, gas, electricity and sometimes laundry. The charge usually does not include telephone.

Homestay accommodation generally costs approximately \$200 a week and where the homestay 'parent' also takes on the role of the student's guardian, an additional \$20 a week is payable.

7. AGENTS

La Salle College currently does not utilise education agents.

8. CONDITIONS FOR ADMISSION

8.1 Applicants for Years 11-12 are considered if:

- They will be no more than 19 years of age in Year 12;
- They have achieved above average standards in previous courses of study;

- They can produce evidence of a history of good behaviour; and
- Their purpose is to gain entry to an Australian University or technical college.

8.2 It is College policy that all international students must have a **Guardian** in Perth:

- Who is nominated by the parents and acts in *loco parentis*;
- Who is a responsible, independent adult;
- Who is capable of caring for and supervising the student, ensuring his/her attendance at school and completion of homework;
- Who monitors the student's general behaviour at home and in the community; and
- Provides a current Police Clearance and Working with Children Card to the College.

The Guardian must be readily available in an emergency; and at times when College staff need to consult with the Guardian on matters pertaining to school work or behaviour.

8.3 The student must also have **homestay arrangements** that are satisfactory to the College. The Homestay parent may also be the Guardian. The homestay accommodation is required to be with an English-speaking family so that the student's English language competence is constantly reinforced.

The College will nominate the date for which it accepts responsibility for approving the student's accommodation and general welfare arrangements using the DIBP (Department of Immigration and Border Protection) pro forma letter through PRISMS on completion of enrolment procedures. The date will usually be the date of commencement at the College.

The College will advise DIBP (Department of Immigration and Border Protection) in writing of the approval of Homestay accommodation using the DIBP (Department of Immigration and Border Protection) letter available through PRISMS.

The College will visit and inspect an International Student's Homestay situation once a semester. The inspection will include that the Homestay provider:

- Has a valid Working with Children Clearance.
- All residents in the 'Homestay' accommodation will be required to have Federal Police clearances.
- The living arrangements are clean.
- The student has suitable privacy and facilities for sleeping, personal hygiene and study, including access to a computer.
- There is provision for adequate and healthy dietary needs.
- Reasonable telephone access.

The College has a pro-forma for procedures for checking the suitability of the International Student's accommodation and general welfare arrangements. This form is available on request.

- 8.4** There will be assistance given to International Students attending La Salle College to arrange Homestay if there is a need.
- 8.5** The student is required to agree to comply with the provision of the standard **Student's Undertaking** before enrolment can be finalised.
- 8.6** Before the College provides a conditional offer to an International Student, the student must provide documentary evidence that they have achieved English Language Competency, for example, they have achieved a six (6) in the International English Language Testing System (IELTS).
- 8.7** If the student's level of English competency before admission has not reached the required standard, they will not be enrolled at the College. They would be expected to withdraw their application or continue to study English with the Intensive language provider until the required level is achieved.
- 8.8** When a student is accepted at La Salle College, **no guarantee** is given of promotion to the next year of study, Year 12 graduation or entry to an Australian university or technical college.
- 8.9** On acceptance of a place at La Salle College, the student is placed in the Year which is considered to be most compatible with his or her level of general academic ability and English competency. This judgement is made on the best evidence available with no guarantee that this objective is achieved.
- 8.10** Orientation for new students is held in the month prior to commencing their studies. Contact is made with their host parents to organise their attendance at the orientation session. The Deputy Principal responsible for the student orientation program in the College will familiarise the student and the host parents with the routines of life as a member of the College community. A handbook will be issued detailing such things as the College history, administrative and curriculum policies and procedures, student pastoral care and the enrolment agreement. Students will also be informed of College attendance and academic progress policies and visa implications. Should a student be unable to attend the above orientation, an alternative time will be arranged by the College CRICOS coordinator.

A "buddy" will be organised for the student who will provide, in the first instance, a tour focusing on the new student's classrooms, toilets, canteen, etc. It is anticipated the "buddy" will meet regularly with the student ensuring a smooth transition.

- 8.11** If a student currently enrolled fails to meet the entry requirements for the next year of study, he or she **may be required to repeat** that year of study. This may affect his or her student visa. The College will notify the Secretary of Department of Education via PRISMS as required under section 19 of the ESOS Act.
- 8.11** The College negotiates the **course of study** directly with the student and with the Guardian when appropriate.
- 8.12** Should any of these requirements cease to be met by the student/parents at any time, the College reserves the **right to discontinue the student's enrolment** and will inform Commonwealth and State Regulatory bodies of this decision.

Where the College suspends or cancels the enrolment of the student, the College will continue to check the suitability of arrangements for that student until:

- The student is accepted by another registered provider and that registered provider takes over responsibility for approving the student's accommodation, support and general welfare arrangements.
- The student leaves Australia.
- Other suitable arrangements are made that satisfy the Migration Regulations.

Or, the College reports under the National Code Explanatory Guide Standard 5.1d (http://aei.gov.au/AEI/ESOS/NationalCodeExplanatoryGuide/PartD/Standard_5.htm#welfare) that it can no longer approve of the arrangements for the student. This may affect his or her student visa. The College will notify the Secretary of Department of Education via PRISMS as required under section 19 of the ESOS Act.

Students and guardians have the right to appeal under La Salle College Complaints and Appeals Policy set out under number 13 in this document and as shown on the College website <http://www.lasalle.wa.edu.au/enrolments/overs-eas-fee-paying-students> under International Students Informational Form section 4.8.9.

9. ADMISSION PROCEDURES

9.1 Enrolments Procedures

- Applicants lodge an Enrolment Application with required documentary attachments preferably by 1 September of the year before prospective admission, together with a non-refundable Application Fee of AUD\$100.
- A letter offering a Conditional Offer of a place will be sent to the applicant.
- When deemed adequately prepared, the student is given an appointment to sit for the College English Competency Test.
- Following a successful College Test outcome, applicants, parents and/or guardians, and if possible prospective Homestay parents, attend an

interview with the College Administration to discuss results of the English Competency Test, prior to the admission.

- A Letter of Offer will be sent to the successful applicant.
- Unsuccessful applicants will be duly advised in writing.

9.2 **Mastery of English**

Before the College provides a conditional offer to an International Student, the student should provide documentary evidence that they have achieved English Language Competency, for example, they have achieved a six (6) in the International English Language Testing System (IELTS).

Prior to admission to La Salle College, each non-English speaking student undertakes an intensive English course at a recognised Language Academy. Before La Salle College considers a student's application, the student must have passed the English reading, writing, speaking and listening exit requirements of that College. Before such students are given entry to the College, they must perform satisfactorily in the College's English competency test.

9.3 **English Competency**

For entry to the College, the student must have attained a standard of **English competency** judged by the College as necessary to commence studies. This competency is assessed by means of tests administered by a recognised Intensive English school in Perth and by tests administered by La Salle College. Students must demonstrate adequate competency on both tests.

If the student's level of English competency before admission has not reached the required standard, it is expected that the student would continue to study English intensively until such a standard is obtained.

If, after the student's first year at the College, his/her English competency is not improving at an acceptable rate, **no guarantee** is given of promotion to the next year of study, Year 12 graduation or entry to an Australian university or technical college.

On acceptance, the student is placed in the Year which is considered to be most compatible with his or her level of general ability and English competency. This judgement is made on the best evidence available with no guarantee that this objective is achieved. If a student currently enrolled fails to meet the entry requirements for the next year of study, he or she **may be required to repeat** that year of study.

The College negotiates the course of study directly with the student and with the Guardian when appropriate.

Should any of these requirements cease to be met by the student/parents at any time, the College reserves the **right to discontinue the student's enrolment**.

9.4 English as an Additional Language or Dialect (EALD) - Course

The WA School Curriculum and Standards Authority (SCSA) WACE course: "English as an Additional Language or Dialect". Syllabus can be found on the SCSA website: www.scsa.wa.edu.au

9.5 Course Credit – Year 11 Studies

Completion of the equivalent of senior secondary studies.

The College will enrol students in their final year of senior secondary studies if it is considered that studies completed elsewhere indicate that the students have the potential to achieve the Western Australian Certificate of Education in their final-year program.

If such students successfully meet these requirements of the Western Australian Certificate of Education, then recognition will be given for having achieved the equivalent of one year or one semester of senior secondary studies (Year 11) overseas, interstate or through training.

9.6 Course Delivery

Students are enrolled in the College for all face to face courses and have no course delivered online.

10. FEES PAYABLE

Fees are set by the College Board in November of each year for the following year. At the time of enrolment this figure may not be known. Where fees are paid in advance for the following year, students will be invoiced for the difference.

The annual TUITION FEE for 2014, which is payable in full at the time of admission, is as follows:

Services Provided	Expected payment	Year 11	Year 12
Tuition Fee & School Curriculum and Standards Authority fees	On confirmation of enrolment	\$19,500	\$20,800

Payment should be made in Australian dollars (by bankdraft from overseas) and made payable to La Salle College.

For new students commencing at the beginning of the school year, all fees must be paid before a visa application form can be issued. For students re-enrolling for the following

year, the tuition fees and Medibank Overseas Student Health Cover renewal payment is required by 1 November of the current year of enrolment. All fees including Medibank and SCSA of WA fees are reviewed annually and subject to change.

Medibank (compulsory overseas student health cover) is payable to the College who will organise registration on behalf of the student.

A Uniform List is given to the student at the time of enrolment. Students are able to purchase their requirements and have a personalised fitting at the College Uniform Shop. Payment for uniforms is made to the Uniform Shop. Indicative price of uniform requirements is \$800-\$1000.

A personalised list of Books and Stationery is provided to each student at the time of enrolment and purchases may be made through the nominated outlet. Cost of books varies according to subject requirements. Costs range from approximately \$60 per subject to \$120 for subject requiring special material/equipment.

WA Education SCSA Registration Examination Fees are included in the tuition fees.

11. REFUND POLICY FOR INTERNATIONAL STUDENTS

The La Salle College refund policy is in accordance with the requirements of the Department of Education Services. Applications for refunds should be made in writing to the College. Refunds will be processed within four weeks of receipt of written request for the refund.

Reason for Refund	Notification Period	EDWA Refund Specifications for Minimum Refunds
Student's application for a visa unsuccessful	Prior to course commencement	Full refund less maximum of \$100 for administration expenses
Student with a visa withdraws	Less than two weeks before course commences	Full refund less \$500 for administration expenses
Student with a visa withdraws	After course commences and during first four weeks	Pro rata refund for current study period
Students with a visa withdraws	Within two weeks of commencement.	No refund given
If provider withdraws offer, fails to provide program offered or terminates course	Before course commences	Full refund less application fee of \$100
If provider withdraws offer, fails to provide program offered or terminates course	After course commences	Pro rata refund for current study period

Gaining Permanent Resident status	Before course commences	Full refund less \$500 for administrative expenses plus the published annual school fee
Gaining Permanent Resident status	After course commences and during Semester One	Pro rata refund for current study period
Gaining Permanent Resident status	After course commences and any time after the third week in August	No refund

*** A course at La Salle College is the whole school year.**

NOTE: Refunds are calculated using a semester as the unit of time. A student withdrawing in **semester one**, 10 weeks or more before commencement of **semester two** would receive a full refund of semester two fees less \$100 for application fees. Please refer to the table.

In exceptional circumstances refunds will be made if the above conditions are not met. This will be at the discretion of the Principal.

This agreement does not remove the right to take further action under Australia's consumer protection laws.

12. TRANSFER BETWEEN REGISTERED PROVIDERS

Registered providers assess requests from students for a transfer between registered providers prior to the student completing six months of the principal course of study in accordance with their documented procedures.

- After the six months of the principal course no restrictions will apply.
- The College will support a student transfer to another registered provider in the first six months of the course study in accordance with our College International Refund and Fees Policy.
- The College will make available counselling to the student in regards to the appropriateness of the course of study delivered by the new provider.
- The College will formally transfer a student when it has been determined to the provider the student is transferring has provided a letter from the registered provider confirming that a valid enrolment offer has been made and the students parents/legal guardian support the transfer.
- Where a student is under the age of eighteen (18) the registered provider will accept the responsibility for approving the students accommodation and general welfare arrangements.

Where the College does not grant a letter of release, the International Student will be provided with written reasons for refusing the request and will be informed of his or her right to appeal the College's decision in accordance with National Code Explanatory Guide Standard 8.

<https://aei.gov.au/Regulatory-Information/Education-Services-for-Overseas-Students-ESOS-Legislative-Framework/National-Code/nationalcodepartd/Pages/ExplanatoryguideD8.aspx>

The Student and their guardian will need to contact the Department of Immigration and Border Protection - www.immi.gov.au to confirm the on-going viability of their Visa should they change educational providers.

13. COMPLAINTS AND APPEALS PROCEDURES

As far as possible, a student's grievances will be resolved as a result of discussion between the College Administration and the student. If the grievance is not satisfactorily resolved by this means, a grievance panel will consider each case on its merits and develop a solution acceptable to both parties. This process does not remove the student's right to pursue other legal action under Australia's Consumer Protection laws.

Complainants/appellants will all receive a written statement of the outcome of any appeal including details of the reason(s) for the outcome.

The International Student's enrolment will be maintained by the College whilst the complaints and appeals process is ongoing.

The La Salle College Grievance Panel consists of three or more of the following, depending on the nature of the grievance:

- The Chairperson of the College Board
- The Principal
- The Deputy Principal
- The International Students Coordinator
- The Student Counsellor
- The Families & Human Resources Manager

If the grievance is not resolved by either of these means, the matter will be referred to an independent conciliator appointed by the Department of Education Services – 22 Hasler Road, OSBORNE PARK WA 6017. Phone: (08) 9441 1962

If the student is not satisfied with the outcome or conduct of the internal complaint handling and appeals process, the College will supply information to the student on how to pursue the appeal through the external appeals process, with an independent Conciliator, a person independent of and external to the College and Catholic Education Office. The independent Conciliators role is to conciliate not to arbitrate.

Where the Conciliator becomes involved in seeking a resolution to a complaint or grievance between the student and the College, it is *regarded as complementary to the "Internal" complaints handling process*. If this also fails to achieve an acceptable outcome for both the student and the College, then the matter is referred to the Overseas

Student Ombudsman (OSO – the only appeals body that may be used and who has the power to reach a binding decision under the ESOS Act).

If the internal or any external complaint handling or appeal process results in a decision that supports the International Student, the College will immediately implement any decision and/or corrective and preventative action required and advise the student of the outcome.

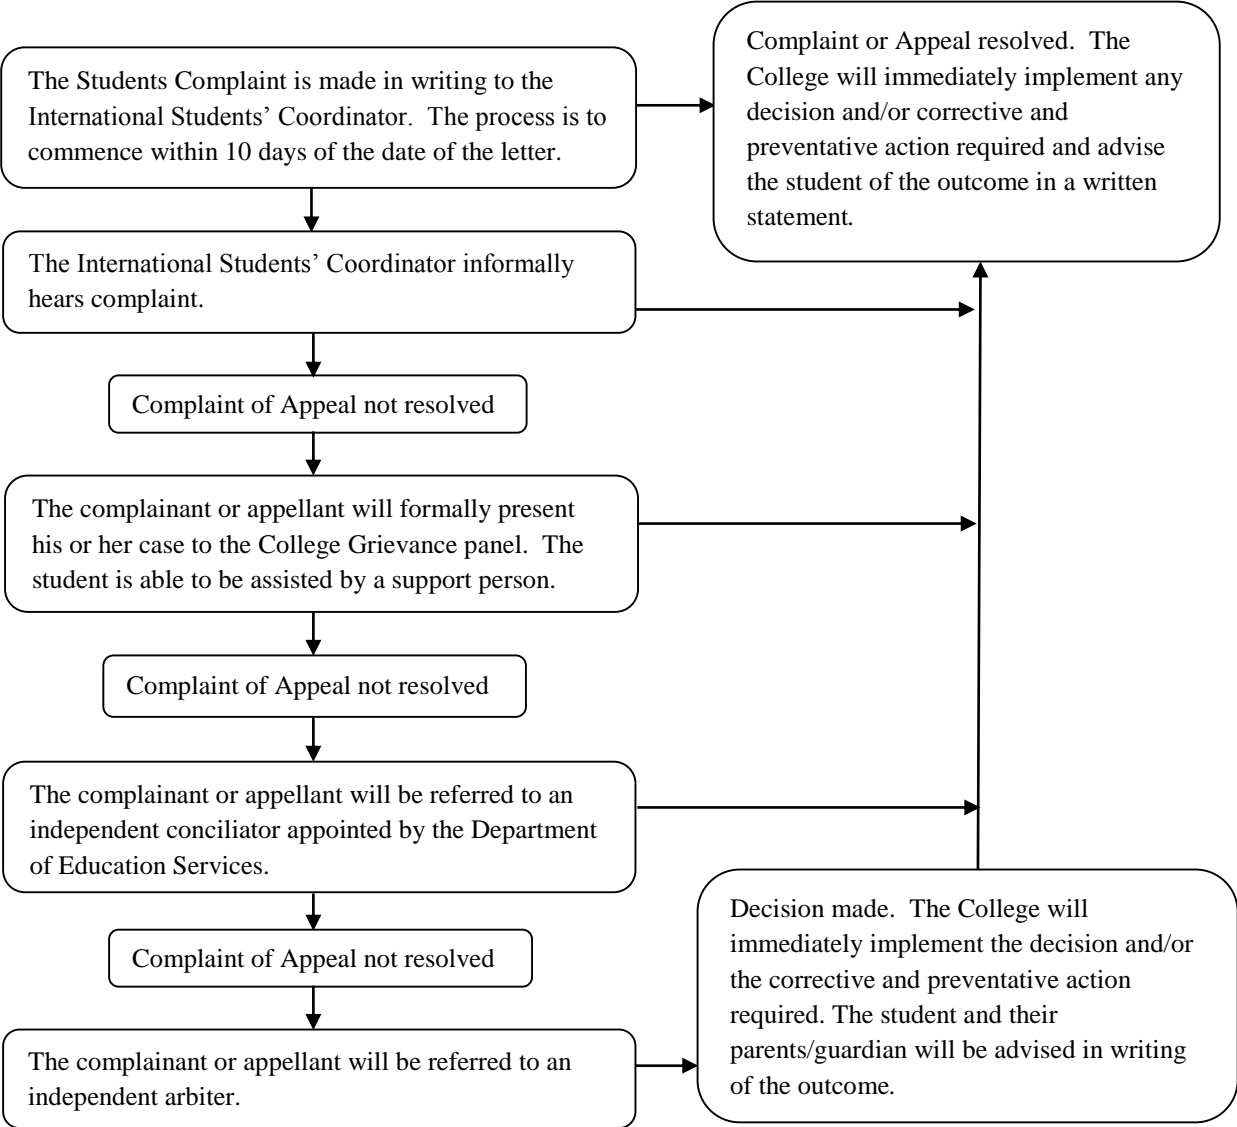

Independent Conciliator Details

The independent Conciliator for La Salle College is Mr Greg Clune.

His contact details are:
10A/133 Drabble Road
CITY BEACH WA 6015
Tel: 0417 915 671

International Students’ Complaint or Appeal Process

International Students/guardians have the right to access the external appeals process at minimal or no cost.

14. DEFERMENT, SUSPENSION OR CANCELLATION OF ENROLMENT

If a student defers or the College suspends or cancels a student's enrolment this may affect his or her student visa. The College will notify the Secretary of Commonwealth Department of Education via PRISMS as required under section 19 of the ESOS Act.

To defer or suspend enrolment means to temporarily put studies on hold (adjourn, delay, postpone).

The College does this by notifying the Commonwealth Department of Education, through the Provider Registration and International Student Management System (PRISMS) of the deferment or suspension of enrolment.

A student may request a temporary deferment or suspension to his or her enrolment on the grounds of compassionate or compelling circumstances. The College may also initiate suspension of a student's enrolment due to misbehaviour of the student.

- The College may choose to grant or decline any student's request for deferment or suspension of studies, in accordance with its documented procedures for assessing such requests.
- Compassionate or compelling circumstances are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing.
- This could include, but are not limited to:
 - serious illness or injury, where a medical certificate states that the student was unable to attend class
 - bereavement of close family members such as parents or grandparents (Where possible a death certificate should be provided)
 - major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies; or a traumatic experience which could include:
 - involvement in, or witnessing of a serious accident; or
 - witnessing or being the victim of a serious crime, and this has impacted on the student (these cases should be supported by police or psychologists' reports)
 - where the registered provider was unable to offer a pre-requisite unit; or
 - inability to begin studying on the course commencement date due to delay in receiving a student visa.

The College may choose to temporarily suspend a student's enrolment if it deems the student's behaviour to be unacceptable for an educational setting. This would include behaviours listed in the International Student Undertaking.

The College will inform the student of its intention to suspend or cancel the student's enrolment where the suspension or cancellation is not initiated by the student, and notify

the student that he or she has 20 working days to access the College's internal complaints and appeals process.

If the student accesses the College's internal complaints and appeals process, suspension or cancellation of the student's enrolment cannot take effect until the internal process is completed, unless extenuating circumstances relating to the welfare of the student apply.

- Extenuating circumstances' relating to the welfare of the student may include, but are not limited to the following. The student:
 - refuses to maintain approved care arrangements (only students under 18 years of age);
 - is missing;
 - has medical concerns, severe depression or psychological issues which lead the provider to fear for the student's wellbeing;
 - has engaged or threatens to engage in behaviour that is reasonably believe to endanger the student or others; or
 - is at risk of committing a criminal offence.

Any claim of extenuating circumstances will need to be supported by appropriate evidence.

Deferment

The College will not accept an enrolment which does not start and end on the stipulated and agreed dates. Hence, it is unlikely that the College would have to consider deferring or temporarily suspending an enrolment of an international student.

However, there may be a limited number of circumstances in which the College would consider deferring or granting leave of absence or even cancelling an overseas student's enrolment, such as for:

- Compassionate reasons (eg: for illness during the year, where a medical certificate states that the student is unable to attend classes).
- Illness within the immediate family to which the student will have to go back to home country.

The request for deferment must be submitted by letter to the Principal. The Principal will then copy in the information to our Vice Principal and International Students Coordinator.

- The College will then advise the student's parents/legal guardian that deferring or granting leave of absence may affect his or her student visa.
- Notify the Provider Registration and International Student Management System (PRISMS) that the student's enrolment has been deferred and granted leave of absence.

- Refer the student to the Department of Immigration and Border Protection (DIBP) website, helpline or the local DIBP office for advice on how the potential change to the student's enrolment status may impact upon their visa.

Suspension or Cancellation of Enrolment

If a student defers or the College suspends or cancels a student's enrolment this may affect his or her student visa. The College will notify the Secretary of Commonwealth Department of Education via PRISMS as required under section 19 of the ESOS Act.

The College could suspend or cancel an enrolment if the student has not followed the College International Student Undertaking signed at the interview prior to the enrolment acceptance and commencement at the College.

15. USE OF PERSONAL INFORMATION

Any information (including personal information) provided to the College by the student, parents, guardian, homestay parents and/or agents may be made available to State and Commonwealth regulatory authorities pursuant to College obligations under the ESOS Act 2000.

16. REPORTING REQUIREMENTS

16.1 Attendance

Visa regulations require students to attend the College on a full time basis. Absences from school are only permitted due to illness or for exceptional compassionate reasons. The College is obliged to advise Commonwealth and State regulatory authorities when a student's attendance falls below a satisfactory level.

Satisfactory Course Attendance is attendance of 80% of scheduled course contact hours. Student attendance is checked and recorded on a daily basis and assessed regularly by being recorded and calculated over each semester. Late arrival at school will be recorded and will be included in the attendance calculations.

All absences from school should be accompanied by a medical certificate, an explanatory communication from the International Student's carer or guardian, or evidence that the absence from school has been approved by the Deputy Principal.

Any absences longer than for five consecutive days without approval must be fully investigated.

The International Student's attendance will be monitored daily by the Deputy Principal and Pastoral Care Advisor and the International Students Coordinator, or delegate, over the semester to assess the International Students attendance.

The following method will be used to assess the percentage of scheduled course contact hours to ensure the student is meeting requirements.

The number of hours the student would have to be absent in order to fall below the attendance threshold for a semester will be calculated using the formula:

Threshold of absences = number of study days x daily contact hours x 20% (For example, in a ten week term with five contact hours per day, the threshold of absences – 5 hours x 50 days x 0.2 = 50 hours).

A verbal warning will be given to an International Student when their attendance rate falls to 95%.

If the attendance rate drops to any of 90%, 85% or 80%, written notification will be sent from the College to the parents of the International Student (and their guardian if applicable) and an interview with the International Student will also be held.

The letter and interview will explain the implications of poor attendance when the attendance rate drops to these levels.

Any period of exclusion from class will not be included in the student attendance rate calculations.

If the calculations above indicates that the student's attendance has fallen below the attendance threshold for the study period concerned, the College will advise the student (and the student's parents and guardian (if applicable) when the student is under 18 years of age) of its intention to report the student for unsatisfactory attendance and breach of visa condition 8202, and that the student has 20 working days in which to access the College's Internal Complaints and Appeals Process (see the College's International Students Complaints and Appeals Policy) except in the circumstances where the student produces documentary evidence clearly demonstrating compassionate or compelling circumstances (e.g. medical illness supported by a medical certificate); and attendance has not fallen below 70%. The method used to calculate 70% attendance is the same as above but with the following change: Threshold of absences = number of study days x contact hours x 30%.

The College will notify the Commonwealth Department of Education through the Provider Registration Information Student Management System (PRISMS) of the International Student's unsatisfactory attendance as soon as is practicable where:

- (i) The International Student does not access the School's Internal Complaints and Appeals Process within 20 working days; or
- (ii) The International Student withdraws from the School's Internal Complaints and Appeals Process; or

- (iii) The Schools Internal Complaints and Appeals Process has found in favour of the School.

Definition:

Compassionate and compelling circumstances – circumstances beyond the control of the student that are having an impact on the student’s progress through the course.

Some examples of compassionate and compelling circumstances are:

- serious illness, where a medical certificate states that the International Student was unable to attend classes;
- bereavement of close family members such as parents or grandparents;
- major political upheaval or natural disaster in the home country requiring emergency travel plans that has impacted on the International Student’s studies;
- a traumatic experience which has impacted the student (these experiences should be supported by a police or psychologist’s report where possible);
- where the College has been unable to offer a pre-requisite unit or course;
- inability to begin studying on the course commencement date due to the delay in receiving a student visa; or
- for other circumstances to be considered as compassionate and compelling evidence would need to be provided to show that these were having an impact on the student’s progress through a course.

16.2 Monitoring Absences

16.2.1 Attendance Recording Procedures

The Pastoral Care Advisor will complete daily student attendance on the College electronic system. This becomes the working copy of the Attendance Register.

The working copy of the Attendance Register is used to record the daily attendance. The working copy is corrected by the College Student Services each day.

The electronic roll is sent promptly, to Student Services at the conclusion of Pastoral Care Time. A hard copy may be necessary in an emergency.

Student Services keeps a daily record of telephone calls received from parents of absent students or made to parents of absent students.

In every class throughout the day, the Class Teacher is required to check student attendance against the Daily Electronic List.

All absentees must be verified by a note from a parent/guardian.

16.2.2 SMS Message System

An SMS text message will be automatically sent to the mobile phones of parents/guardians explaining that the school records show that their child is absent from school. The message will give the child's name, Pastoral Care Group and indicate that they were absent during PCG time on that day.

Parents/guardians are required to phone the office to confirm absence.

Parents/guardians must also send a note when the child returns to school.

Parents/guardians are urged to update their mobile phone numbers as soon as there is a change of numbers so that this system can be made as effective as possible.

17. COMPLETION WITHIN EXPECTED DURATION

The school will monitor, record and assess the course progress of each International Student in each course for which they are enrolled to ensure they complete the course within the duration specified in their CoE. There will be a formal assessment of each International Student's progress at the end of each semester, when full school reports are written for each student.

A part of this assessment of course progress at the end of each semester will include an assessment of whether the student's progress is such that he or she is expected to complete the course within the duration of the course.

The College will only extend the duration of an International Student's study where the student will not complete the course in the expected duration due to:

- (i) Compassionate or compelling circumstances; or
- (ii) Student participation in an intervention strategy as outlined above; or
- (iii) Approved deferment or suspension of study granted in accordance with the Schools Deferment, Suspension and Cancellation Policy.

Where the College decides to extend the duration of an International Student's study, the College will report this through PRISMS and issue a new eCoE (electronic Confirmation of Enrolment) if required.

18. ACADEMIC PERFORMANCE

The College is obliged to advise State and Commonwealth regulatory authorities of a student's unsatisfactory academic performance.

International students will have their course progress assessed at the end point of each study period. The students will receive a standard College report in Terms 1, 2 and 4. One copy is sent to parents, a second copy to the student's guardian and a third is given to the student.

If there is a variation in the International Student's enrolment load, which may affect the student's expected duration of study, the College will record this variation and the reasons for it on the student file. The College will report the student via PRISMS and/or issue a new CoE when the student can only account for the variation/s by extending his or her expected duration of study.

The College will implement an intervention strategy for any International Student who is at risk of not meeting satisfactory course progress requirements. The intervention strategy will be in place where the student has failed or is deemed not yet competent in 70% or more of the course attempted in any reporting period.

Where the College has assessed the International Student as not achieving satisfactory course progress, the College will notify the student in writing of its intention to report the student for not achieving satisfactory course progress. The written notice will inform the student and their parent/guardian that he or she is able to access the College's complaints and appeals process and that the student and parent/guardian have 10 working days in which to do so.

The College will notify International Students and their guardians if they have failed to meet satisfactory attendance requirements. If Attendance:

Drops below 90% - a letter will be sent to guardians and students informing them of the situation.

Drops below 85% - a letter of warning will be sent to guardians and students informing them that the College will inform the secretary of Commonwealth Department of Education through PRISMS if the students' attendance rate drops below a satisfactory level.

Drops below 80% - a letter will be sent to guardians and students informing them that the College will inform the secretary of Commonwealth Department of Education through PRISMS that the students' attendance rate dropped below 80%. The letter will inform the student that he or she is able to access the College's complaints and appeals process.

Where the International Student has chosen not to access the complaints and appeals processes within the 10 working day period, withdraws from the process, or the process is completed and results in a decision supporting the College, the College will notify the Secretary of Commonwealth Department of Education through PRISMS of the student not achieving satisfactory course progress as soon as practicable.

If International Students are at risk of failing, students and their parents/guardians will be made aware of the implications for the on-going viability of their Visa, as a result of a repeat of a year at the College.

18.1 Intervention Policy

The College will implement an intervention strategy for any International Student who is at risk of not meeting satisfactory course progress requirements. The intervention strategy will be in place where the student has failed or is deemed not yet competent in 70% or more of the course attempted in any reporting period.

A student identified as being “at risk” (during the study period or at the end of the study period) of not meeting satisfactory course progress requirements will be sent a warning letter requiring them to attend a course progress meeting.

A copy of the warning letter and all other relevant documents will be placed in the students’ file. At the meeting an intervention strategy will be negotiated with the student and will be recorded at the conclusion of the meeting and signed off by the student and the Course Coordinator. A written copy of the intervention strategy will be provided to the student and placed in their file.

Students “at risk” of not meeting course progress requirements, who fail to participate fully in the intervention strategy developed by college in conjunction with the student will be subject to the student behaviour requirements which includes the possibility of deferral, suspension or cancellation of their enrolment.

The intervention strategy comprises some or all of the following:

- Programs to address academic and non-academic issues
- Student study time table drawn up
- The academic involvement report from each subject trainer
- Assessment outcomes
- Any other matters relevant to progress

19. CHANGE OF CONTACT DETAILS

The College is required to maintain complete and current records of each International Student’s contact details. Students are required to notify the International Students Coordinator immediately of any change in address, phone numbers, guardianship etc. Students who fail to keep the International Students Coordinator informed of their current contact details risk having their student visa cancelled by Commonwealth regulatory authorities.

INTERNATIONAL STUDENTS UNDERTAKING (TO BE SIGNED AT INTERVIEW)

I will support the Catholic ethos and values of the College.

I shall try to do my part in building a caring school family.

I shall:

- (i) always try to have a positive attitude;
- (ii) act with respect towards College staff and students;
- (iii) try to achieve my personal best in everything I do;
- (iv) behave in public in such a way as to uphold the good name of the College;
- (v) strive to develop appropriate work attitudes and habits;
- (vi) observe the College classroom and travel codes of behaviour;
- (vii) attend all masses, retreats, reflection days, activities and camps applicable to my year group/House;
- (viii) attend all Inter-House Swimming and Athletics Carnivals and make myself available to represent the College in sporting and cultural activities and to attend training sessions/rehearsals;
- (ix) attend Presentation Evening;
- (x) observe the uniform, hair and jewellery standards of the College; and
- (xi) comply with all College regulations.

I shall refrain from the following actions at the College, at College functions and while travelling to and from such venues:

- (i) the possession or use of illegal drugs;
- (ii) the possession or use of alcohol or tobacco;
- (iii) the possession or use of a weapon or implement that may inflict harm;
- (iv) bullying, fighting or verbal intimidation;
- (v) vandalism or theft;
- (vi) offensive language or possession of offensive literature;
- (vii) disruption of lessons through inappropriate behaviour; and
- (viii) unauthorised absence from class or school.

Furthermore, I shall not:

- (i) visit gambling establishments or drink alcohol in public, even if I am legally permitted to do so;
- (ii) absent myself with bogus illnesses nor present fraudulently obtained medical certificates; nor
- (iii) drive a car without a Western Australian Driver's License.

I understand that, if I fail to honor these promises, it is discretionary with the Principal to defer my promotion from Year level to the next, or suspend or terminate my enrolment.

If a student defers or the College suspends or cancels a student's enrolment or the student defer or temporarily suspend their enrolment due to compassionate or compelling circumstances (e.g. illness where a medical certificate states that the student is unable to attend classes), this may affect his or her student visa. The College will notify the Secretary of Australian Government Department of Education via PRISMS as required under section 19 of the ESOS Act.
