### ASSISTANCE WITH FEES AND PAYMENT BY INSTALMENT

The College Board recognises that a Catholic education should not be withheld because of financial reasons and parents experiencing difficulties should contact the accounts office with a view to arranging a confidential discussion with the Manager of Human Resources and Families.

The College can accommodate a payment plan for school fees over the period of the year, if payment is via our CDF direct debit system. For any other method of instalments it is a requirement that parents submit the proposed payment plan in writing for prior approval stipulating amount and frequency of payments. It is a requirement that instalment payments cover the fees incurred in any one year.

An enrolment fee of \$100 (GST free) applies when the student is the FIRST child of the family to be enrolled at the College.

## **ENTRANCE DEPOSIT**

An entrance deposit of \$200 (GST free) is payable on acceptance of a student's enrolment. This deposit is credited against fees when the student commences. This deposit is non-refundable.

## **FEE COLLECTION**

Where parents and/or guardians have the capacity to pay fees, the collection of school fees shall be actively pursued by the College Board. This may involve the appointment of an external body to collect fees, where all reasonable attempts by the school have failed. Parents are always encouraged to approach the College if they are in financial difficulty.

Any actions taken to recover fees which are owed to the College would be governed by guidelines specified by the ACCC (Australian Competition & Consumer Commission) and ASIC (Australian Securities & Investments Commission).

**Fees are payable within 14 days from the date of the account, unless a prior payment plan or Direct Debit payment plan is in place.**

**Withdrawal of a student from the College requires ten weeks' written notice in term time to the College Principal. Where such notice is not provided the fees for one term are payable.**
